RESUBMISSION OF INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On February 27, 2004, Applicant filed an Information Disclosure Statement incorrectly stating that the Information Disclosure Statement is being filed more than three months after the U.S. filing date AND after the mailing date of the first Office Action on the merits, but before the mailing date of a Final Rejection, Notice of Allowance or other action that closes prosecution. Applicant also paid a fee under 37 CFR §1.17(p) in the amount of \$180.00.

However, Applicant submits the Information Disclosure Statement was filed prior to any action on the merits. Thus, this Resubmission of Information Disclosure Statement is filed to clarify that the references are being filed prior to an action on the merits.

Pursuant to 37 CFR §1.56, the attention of the Patent and Trademark Office is hereby directed to the reference(s) listed on the attached PTO-1449. Unless otherwise indicated herein, one copy of each reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the reference(s) be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

- ☒ 1. This Information Disclosure Statement is being filed (a) within three months of the U.S. filing date of this non-CPA application, OR (b) before the mailing date of a first Office Action on the merits in the present application. No certification or fee is required.
- ☒ 2. Co-pending U.S. patent application No. 09/866,740 is identified on Form PTO 1449 of this Information Disclosure Statement. The Examiner is respectfully requested to consider each cited application and the art cited therein during examination of the present application.

REQUEST FOR REFUND TO DEPOSIT ACCOUNT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

An Information Disclosure Statement was filed on February 27, 2004 for the above-identified patent application. A copy of the PTO receipt is enclosed. The Information Disclosure Statement incorrectly stated that it was being filed more than three months after the U.S. filing date AND after the mailing date of the first Office Action on the merits, and therefore incorrectly submitted payment of \$180 by check (check no. 151517).

The Information Disclosure Statement was in fact, however, filed prior to the present application receiving an Office Action on the merits. A Restriction Requirement was mailed prior to the filing of the Information Disclosure Statement, but such did not constitute an action on the merits. Upon discovery of the erroneous certification in the Information Disclosure Statement, Applicant prepared and filed a Resubmission of Information Disclosure Statement (copy attached) on March 10, 2004 to correctly note that the Information Disclosure Statement was filed prior to any action on the merits, and thus no fee was due.

Application No. 09/866,781

Accordingly, it is respectfully requested that the payment of ~~\$180~~ mistakenly
submitted by Applicant be credited to Deposit Account No. 15-0461, and that the Patent
Office acknowledge this credit in writing.

Respectfully submitted,
